

Suggestions for an environmentally friendly stay

Conservation of the planet, protection of the environment, sustainable development, you are no doubt sensitive to these causes. Here are a few ideas to help you contribute to a greener world.

WATER

Please inform us of any leak or irregularity
Please make sure to properly turn the tap (UK)/ faucet (US) off after each use
Please be considerate when changing the bath towels
Avoid letting the water run while you shave
Please consider turning the water off while you soap
Avoid letting the water run while you brush your teeth

ENERGY

Please remember to switch the TV off when not in use
When leaving a room, remember to switch the lights off
If you wish to use the air-conditioning, please do so with the windows and doors closed

ENVIRONMENT

Please take your rubbish (UK) / garbage (US) away with you when out on an excursion or on a picnic and remember to recycle where possible
Please follow the village's recycling guidelines

SANITATION

Please do not throw anything in the toilets of the houses not linked to a mains sewer
